Dear Highland Park Families,

Happy Fall! I wanted to take a moment to express my gratitude to all of you for all that you do to make Highland Park the amazing community of teaching and learning that it is. Things have been going so fast this school year and so many wonderful activities have already happened.

Thank you to everyone for making our School Improvement Plan Presentation at the Board of Education meeting such a tremendous success last Tuesday evening. We certainly showed our Husky Pride as Parents, Staff and Students came out in full force to support the School's efforts! It is safe to say that our presentation blew the Board away and we received great feedback. A link to our presentation can be found on the Manchester Public School's website. Please take a look if you couldn't make it.

A big thank you also goes out to all of the Parents, Staff and Students that participated in Manchester High School's Homecoming Parade. Highland Park School was the only Elementary school to participate and we are so proud of our kids for doing a wonderful job representing our school and our town!

We have so much to look forward to in the coming weeks. We have Costume Book Bingo, Dine Out Nights, the Book Fair and the Fun Run just to name a few. Please check our website for dates and times.

As always I am here to listen if you have any concerns or comments about what's happening here at Highland Park School. Feel free to drop me a line or stop by. Additionally we have a new feature in the Main Office. There is a confidential suggestion box for anyone that would like to leave us a message.

Thank you so much for everything that you do each an everyday. It never goes unnoticed and it is always appreciated.

Warmly,

Dr. Ali
